Dear Bricage,

We're writing to let you know that **we have removed the below content** that you posted on ResearchGate because it didn't comply with our Terms of Service:

Here at ResearchGate, **it is our mission to connect the world of science and accelerate scientific progress. To help us achieve our mission, our Terms of Service prohibit the posting of non-scientific content on the platform. Given its questionable scientific basis and controversial subject matter**, the content you posted is a violation of our Terms.

To avoid having your content deleted in the future, please take the time to read our terms and guidelines carefully: <https://www.researchgate.net/terms-of-service>

<https://www.researchgate.net/community-guidelines>

This appears to be the first time we are writing to warn you about posting content that is not permitted on ResearchGate. Please be aware that **if you receive additional warnings, your content may be removed and/or your account may be permanently disabled.**

REMOVED CONTENT

"Is the new Wuhan Chinese coronavirus an avatar of a genetically engineered coronavirus to produce a curative AIDS vaccine? 2. SARS-CoV-2 and COVID-19: What technology is available to build a HIV biomimetic coronavirus?"

"Is the new Wuhan Chinese coronavirus an avatar of a genetically engineered coronavirus to produce a curative AIDS vaccine? 1. Curative vaccines: what technology should be implemented?"

"Le nouveau coronavirus chinois est-il un avatar d'un coronavirus génétiquement modifié pour fabriquer un vaccin curatif du SIDA ? 3-. SARS-CoV-2 et COVID-19 : est-il possible de construire un coronavirus génétiquement modifié ?"

"Le nouveau coronavirus chinois est-il un avatar d'un coronavirus génétiquement modifié pour fabriquer un vaccin curatif du SIDA ? 2. Pourquoi le SARS-CoV-2 ne serait-il pas un virus d'origine naturelle ? Aspects écologiques, physiologiques, génétiques et évolutifs."

"La vérité ne se décide pas à la pluralité des voix."

Laplace

On exprime plus le jugement qu'on porte de l'interlocuteur qu'on ne cherche à vérifier ce qu'il dit en lui demandant de fournir le matériau sur quoi il se fonde...
